Delphi has advised the owners of the Lideta Group ("Lideta") in connection with the divestment of the shares to Nordstjernan.

Over the last few years, Lideta has grown through acquisitions and invested in various digital initiatives to increase the accessibility and efficiency of primary care.

The transaction is subject to approval from the relevant competition authorities, which is expected during the fourth quarter of 2017.

Delphi's team mainly consisted of Fredrik Mörner (responsible partner) and Linn Strömberg.
