

Press release Delphi 12/4/2017:

Delphi named Law Firm of the Year for the third year in row!

On Thursday evening, Delphi received for the third time the award Law Firm of the Year in the category Large Law Firms SEK 200 million. Delphi has previously received the award for Law Firm of the Year, 2015 in the categories Large Client Award and Large Law Firms SEK 200 million and 2016 in the category Large Law Firms SEK 200 million.

For the third consecutive year, Delphi has been awarded Law Firm of the Year in Regi's annual quality and industry survey. The survey, this year organized for the tenth consecutive year, is Sweden's largest client study for law firms specialized in commercial law. More than 1,250 buyers of legal services and 21 law firms have participated in this year's survey. Delphi was nominated in two categories.

"We are of course very happy and proud to be awarded Law Firm of The Year. The fact that we have the most satisfied clients among Sweden's largest law firms is truly proof that our commitment to our clients and our close client relationships give results," says David Aversten, Executive Partner at Delphi. "We have had a wonderful year in 2017 and would like to thank all our employees who contribute in making our clients so happy with our work".

The results are based on a number of criteria's, including the law firm's knowledge of the matter, proactivity, accessibility and business benefits. The winner is the firm that achieves the highest average rating from its clients, which means that Delphi has the most satisfied clients among Sweden's largest law firms.

Delphi is one of the top commercial law firms in Sweden. We help our clients with mergers and acquisitions. We advise them on matters of banking, finance and capital markets. We represent clients in court and in arbitration and are acknowledged as being extremely competent in public procurement, environmental law and real estate law.

Many of us are specialists in high-tech fields such as IT, intellectual property and life science. Our drive and our interest in technology and business probably explain, in part, our success. We are often praised for our commercial sense and our ability to understand the client's business.

Our clients are to be found primarily in Scandinavia, Europe and North America. We also co-operate with law firms globally and regularly assist clients on international matters. We have a total workforce of approximately 185, of which more than 120 are lawyers. We have offices in Stockholm, Göteborg, Malmö, Linköping and Norrköping.
