Delphi is one of the top commercial law firms in Sweden. We help our clients with mergers and acquisitions. We advise them on matters of banking, finance and capital markets. We represent clients in court and in arbitration and are acknowledged as being extremely competent in public procurement, environmental law and real estate law.

Many of us are specialists in high-tech fields such as IT, intellectual property and life science. Our drive and our interest in technology and business probably explain, in part, our success. We are often praised for our commercial sense and our ability to understand the client's business.

Our clients are to be found primarily in Scandinavia, Europe and North America. We also co-operate with law firms globally and regularly assist clients on international matters. We have a total workforce of approximately 185, of which more than 120 are lawyers. We have offices in Stockholm, Göteborg, Malmö, Linköping and Norrköping.
